

Rajendra Randa

AI/ ML Researcher | UGC-NET (CS) Qualified | PhD in ML in Healthcare

Add.: Indore, Madhya Pradesh, India | Ph.: (+91) 97138 91856 | mail: rajenranda001@gmail.com | LinkedIn: rajen-r

Dedicated and research-driven Computer Science PhD scholar specializing in Machine Learning for Healthcare, seeking an research and teaching oriented position at a reputed organization/institution. Passionate about advancing AI-driven research, mentoring students, and contributing to curriculum design, interdisciplinary research.

Academic Qualifications:

National Eligibility: UGC-NET Qualified for Assistant Professor (December 2024) [Cert. No.:24D/04/001922].

Degree	Institution/ Board	Year	Grade
PhD in Computer Science (Ongoing) [Domain: ML in Health Care]	Medicaps University Indore	Aug 2023 – Present	CGPA: 8.17 (Coursework)
M.Sc. Computer Science	Govt. Holkar Science College, DAVV Indore	July 2020 – Sept 2022	CGPA: 7.74
B.Sc. (Computer Science, Mathematics, Physics)	Govt. Holkar Science College, DAVV Indore	July 2016 – Oct 2019	54.86%
12th (Mathematics, Physics, Chemistry)	MP Board Bhopal	2015 – 16	78.60%
10th (All General Subjects)	MP Board Bhopal	2013 – 14	90%

Memberships and Contributions:

- Member**, International Association of Engineers – Since June 2025 [ID: 520760]
- Reviewer**, Advances in Artificial Intelligence and Machine Learning (ISSN: 2582-9793, Source Id: 21101164612)

Technical Skills:

- Languages:** Python, R, C, C++, SQL, java.
- Tools:** Jupyter notebook, VS Code, RStudio, Power BI, Tableau, Oracle SQL, WEKA, KNIME and AI tools.
- Domains:** Machine Learning, Deep Learning, NLP, Computer Vision, Data Analysis & Visualization.
- Research Tools:** LaTeX, SPSS, SAS, Scientific and Technical Writing

Faculty Development Programs:

- 10 Days International FDP on Management & Innovation, Soumya Vidhyadhar University, Indore (May 2024)
- 10 Days National FDP on Research Paper Writing, Research Foundation of India (September 2024)
- 6 Days IEEE FDP on AI & Cloud Security, Yeshwant Rao Chavan College (April 2025)
- 10 Days Udaan Educational MSME Registered FDP on Emerging Trends in Higher Education: Harnessing AI Tools for Teaching and Research, Manikyalal Verma Shramjeevi College, Udaipur (November 2025)

Research Contribution & Publications:

Conference Presentations:

- Early Detection of Cardiovascular Diseases using ML, ICMRLTLLAI-2025, Pune INDIA
- Role of ML in Higher Education under NEP 2020, UGC ETICS-2024, Bhopal INDIA

Conference Papers:

- Gour, Sanjeev, and **Rajendra Randa**. "Digital Health Revolution 2023: Navigating the Growing Landscape of Machine Learning in Medical Application." International Journal of Artificial Intelligence, Internet of Things and Cloud Computing (IJAIC-2023), vol. 2, 2022, pp. 7–14. Published online Dec. 2023.

- Gour, Sanjeev, and **Rajendra Randa**. "Applications of Emerging Machine Learning Models in Healthcare Industry: A Comprehensive Review." Proceedings of the International Conference on Deep Learning and Visual Artificial Intelligence (ICDLAI-2024), 16–17 Mar. 2024, Bikaner Technical University, Bikaner. Springer, 2024.
